Re: United States v. Shaffer Equip. Co.  
USCA 4th Circuit at Richmond, VA  
Case No. 92-2024  
Our File No. 66003-155

Dear Mr. Jarvela:

I thank you for your recent letter regarding a draft Site Review Work Plan (SRWP). However, it appears that I am missing the odd-numbered pages (3, 5, 7, etc.) from the Sampling Plan dated September 20, 1993, from Hironmoy Sikdar of the TAT, Roy F. Weston, Inc. I am sure this was a mere copy oversight, and would request a full copy of the Site Sampling Plan. Also, it is my impression that other defense counsel in the cost recovery action may not have received a full copy of the Sampling Plan. You may want to redistribute that particular document.

Mr. Stephen D. Jarvela

I thank you for your assistance in this matter and look forward to receiving the Sampling Plan. Should you have any questions, please do not hesitate to call me.

Very truly yours,
